### EASTER FUN DAY

We agreed the following games would be on the programme:

In addition we would have a stall selling bottled water, tea, coffee, hot dogs, cakes donated by parents, and fruit kebabs.

Wendy M had offered teacher volunteers to assist with running stalls and games. This had met with a good response and we have 4 for food and drink, two for ticket selling and 10 for games.

Message to include appeal for cakes, an explanation of the ticket system, note on restrictions to ES students only, advertisement for the merchandising and an announcement of the paint the egg competition.

**Sean** to co ordinate with Alun and Mark to ensure we have sufficient tables for the events.

**Zoe and Fiona** to co ordinate with Jo for order of sausages and rolls for 150 hot dogs and check supplies of tea coffee and sugar from Scotts.

### **MERCHANDISING**

Tilla will have merchandise on display for sale at the Fun Day. Depending on how people react we will decide when it would make sense to make another merchandise order.

We have received a suggestion from the CAS students that they should have a T shirt to identify themselves during events at a cost of Euro 12 per item. This was discussed and it was decided that we would get better value by including an order for Booster helper T shirts complete with logo in the next merchandising order.

### **SPORTS MARATHON 28/29 APRIL**

The Middle School are organising a 24 hour sports marathon on 28/29 April. Parents will be asked to lend sports equipment. It was agreed that Boosters will supply Pizzas to participants between 4pm and 5 pm on 28 April. This will also provide MS with a Pizza event to match the events that have been run for ES and HS this year.

Parents will be invited to participate in a Zumba display.

The meeting concluded at 9-55
